SAVE THE DATE -

The 50th Anniversary Haywire Equine Celebration Event

The Horseback Ride will be a 7.5 miles beginning and ending at Jack Pine Lodge. The second mile is along the Haywire Trail and is rocky so horse shoes or boots are recommended. The trail can also be traversed slowly by most horses. The trail travels onto two-track forest roads along East Lake. The lake can be entered optionally by riders through two camping areas with lake access where the horses can water. Riders should carry bug spray for the horses and for themselves. There may be water on the trail so horses should be comfortable travelling through water. The ride will start at 10:00 am and support services will be provided until 2:00 pm.
