CIRCLE TOUR™

LAKE MICHIGAN

Top of the Lake Circle Tour

- 1 **Seul Choix Point Light**
(Gulliver, MI) Brick light tower originally built in 1895. Tower tours are available and visitors are welcome to enjoy the surrounding grounds, which includes a picnic area, walking paths, and public boat launch.
- 2 **Seney National Wildlife Refuge**
(Seney, MI) Throughout this nearly 96,000 acres of diverse habitat live a wide variety of wildlife species. Programs, guided tours and visitor center exhibits help you learn about refuge habitats and wildlife.
- 3 **Colwell Lake Pathway**
(Hiawatha National Forest) This 2 mile long loop trail meanders along the edge of Colwell Lake and is surfaced to be fully accessible to people with mobility impairments. The trail is particularly stunning in the fall, and also is popular in the winter as a snowshoe trail.
- 4 **Pine Marten Run**
(Hiawatha National Forest) 26 mile system of hiking and horseback riding trails located in the Ironjaw Semi-primitive Area.
- 5 **Ashford Lake Rustic Pathway**
(16 miles N of Manistique, MI) 3 Trail Loops - 3 Miles, 6 Miles, 9 Miles for hiking and cross-country skiing. Pathway is not maintained and trail obstacles are common.
- 6 **Rainey Wildlife Area**
(Manistique, MI) A hiking trail that passes through maple, yellow birch, and mixed conifer habitat takes hikers over boardwalks and through wet areas, leading to an elevated observation platform that provides a feeling of remoteness with outstanding opportunities for viewing wildlife.
- 7 **Bishop Baraga Shrine**
(Manistique, MI) The Bishop Baraga Shrine near Indian Lake includes a chapel, Indian dwellings, and buildings open to the public plus Indian burial grounds.
- 8 **Indian Lake State Park**
(Manistique, MI) The park is composed of two units which are three miles apart and separated by the waters of Indian Lake.
- 9 **Big Springs - Palms Book State Park**
(Manistique, MI) Palms Book has one of Michigan's alluring natural attractions - Kitch-iti-kipi. Two hundred feet across, and 40-feet deep Kitch-iti-kipi is Michigan's largest freshwater spring.
- 10 **Fayette Historic State Park**
(Garden, MI) This well-preserved museum village recalls another time when it was a bustling iron smelting company town. Fayette offers visitors the unmatched serenity of a Lake Michigan harbor, white cliffs and verdant forests.
- 11 **Thompson Historical Site**
(Thompson, MI) The silent stones of the dock are the final monument to the last port of call of the famous "Christmas Tree Ship", the Rouse Simmons.
- 12 **Thompson State Fish Hatchery**
(Manistique, MI) Most of the hatchery's annual production is cold water species such as brook trout, splake, brown trout, rainbow trout and chinook salmon most of which is planted in Upper Peninsula waters.
- 13 **Manistique Breakwater Light**
(Manistique, MI) Square pyramidal lighthouse first lit in 1916. The Manistique Boardwalk offers its users a fishing pier, access to the east breakwater light, picnic grounds, and abundant nature and wildlife to enjoy.
- 14 **Manistique Museum / Watertower / Siphon Bridge**
(Manistique, MI) The 137-foot-high Romanesque brick water tower dates from 1922 and now houses the Manistique Historical Society's book and gift shop, plus displays about the town's business and civic history.
- 15 **Manistique Central Park**
(Manistique, MI) From an old limestone quarry has emerged a nice swimming lake surrounded by a city park with beach, picnic area, playground, tennis courts & more.
- 16 **Schoolcraft County Environmental Lab**
(Manistique, MI) A system of trails located on 80 acres of wooded township land. The purpose of the Lab is to provide hiking, nature appreciation and environmental education opportunities for the general public and local schools.
