

Last month we shared a "truth" with you that turned into an early April Fool's story. What else would you expect as the ever changing 2020-21 world keeps throwing surprises at us?

Winter at the Big Springs.
The water at Kitchitikiipi
never freezes. [Why?](#)

March 18, 2021 Kitchitikiipi
froze over. [Why?](#)

Do you have any strange stories from Manistique?
Please share them on our [Facebook](#) page.

What makes Manistique unique...

Watch spring come to life in Manistique

Take a [spring hike](#) to discover spring flowers.

[Watch spring come to life at the Seney National Wildlife Refuge.](#)

As the weather improves, break out the clubs for [spring golf](#).

Check out the dark skies for beautiful moon and star viewing as well as other [spring phenomenon](#).

So often changing, enjoy the moods of [Lake Michigan](#) during the spring.

Rarely changing, [catch your limit](#) or record-breaking fish this spring on the waters of Manistique.

Please be sure to contact the Manistique Tourism Council if you have any questions on what is open during the time of your visit

due to current COVID-19 restrictions. Our wide open spaces and fresh air are reasons you can have a safe getaway. We look forward to the time when we can be close to our friends again.

Manistique is for fun, friendship, and feeling good again!
